## MUST BE THAT MOVIE RING.

Mary had a little ring, it was given her by Joe,  
And everywhere that Mary went, that ring was sure to go.  
She took the ring with her one day when she went out to tea,  
Where she might show it to the girls, who numbered twenty-three.  
And when the girls all saw the ring, they made a great ado;  
And all exclaimed in chorus: "Has it at last got 'round to you?"

## AMERICAN BIBLE SOCIETY

Holds Annual Meeting Last Night at Central Presbyterian Church—Officers Elected—Fine Sermon By Rev. Campbell.

Last night at the Central Presbyterian church the annual meeting of the Maysville and Mason county branch of the American Bible Society was held, President W. W. Ball being in the chair. Secretary John Boulden read the following resolution of respect for their departed brother, Mr. John C. Pecor: Whereas, Since our last annual meeting, the treasurer and keeper of the depository of this society, Mr. John Clayton Pecor, has been called to his eternal reward;

Resolved, That this society do now put on record our testimony to the faithful and efficient manner in which he discharged for the long term of twenty-two years, the duties of his office, and our high appreciation of his valuable service. In the ninety-two years of the existence of this society, it has been served in official places by some of the most prominent and important citizens of this community, and Mr. Pecor's interest and service has been among the most notable of these;

Resolved, That this action of the society be recorded in our minutes, a copy sent to the city papers and a copy sent to the family of our deceased brother, with the tender of our heartfelt sympathy.

G. W. GEISEL,  
ALLAN D. COLE,  
JOHN BARBOUR,  
Committee.

After the reading of the minutes, a nominating committee, composed of Messrs. James B. Wood, J. Harry Richardson and Henry Helmer, was appointed and during their absence from the room the reports of the different churches were received.

On the recommendation of the committee the following officers were selected for the ensuing year:

## TOBACCO

## Market To Open Here Tomorrow at Seven Loose Leaf Houses

Total Sales on the Maysville Market Since Opening in 1909 Were 80,069,180 Pounds

Following are the total sales each year on the Maysville tobacco breaks since the opening of the loose leaf market in 1910:

	Pounds Sold	Average Price
1909-10	5,410,410	\$13.64
1910-11	15,793,655	7.69
1911-12	18,735,685	9.26
1912-13	23,237,195	12.81
1913-14	16,713,235	10.19

Total... 80,069,180 \$10.71 4-5

Thus it will be seen what the Maysville market means to the people of this city and county.

Over \$8,000,000 in cash paid out by the Maysville warehouses to the growers alone, besides thousands of dollars for expenses, etc.

It's the biggest thing we've got and every effort must be put forth to develop our market.

The yearly sales have averaged over 17,500,000 pounds since the market started and the sales should hereafter go to the 20,000,000 mark each season.

The sales capacity of the seven loose leaf houses here are 400,000 pounds per day, with over eight acres of floor space, ample stable accommodation free, and everything else for the convenience of the growers.

The market this season opens here tomorrow, December 8, at 10 o'clock a. m.

The offerings for the first week or two may be light as there are many things to cause the farmers to hold on awhile before delivering their crops. However, the prospects are bright for another successful season, as the 1914 crop is a good one and the past week's weather has been ideal for taking down and stripping.

The seven Maysville plants opening this week are the following:

The Home Warehouse.  
The Independent Warehouse.  
The Growers Warehouse.  
The Central Warehouse.  
The Farmers Warehouse.  
The Planters Warehouse.  
The Amazon Warehouse.

There are five redrying plants and six rehandling houses.

Mr. Thomas H. Gray's new brokerage house is a new feature to the Maysville business that should prove an important factor in enlarging our market.

The opening of the market, of course, means a substantial local business boom and our merchants, hotels, etc., will get the benefit of it first and every enterprise will profit by it.

## TO BE OR NOT TO BE

Mason County Farmers Hold Meeting Saturday Afternoon To Determine Whether or Not They Shall Put Out a Tobacco Crop Next Year

Committees Appointed To Visit Farmers and Find Out Their Views in Regard To the Matter

Saturday afternoon last a number of Mason county's prominent farmers met in Squire Fred W. Bauer's office at the court house and held an important meeting to find out the consensus of opinion of those present in regard to the tobacco situation in Mason county.

The point under discussion was whether or not the farmers should sell their tobacco now or to hold it back until next year for sale and then to raise no crop during that year.

County Demonstrator A. M. Casey was appointed to act as chairman of the meeting and after he had called the meeting to order, Mr. M. F. Guilfoyle took the floor and explained the matter to those assembled.

A nominating committee, composed of M. F. Guilfoyle of Lewisburg, Ben Marshall of Washington and C. G. Degman of Orangeburg nominated the following gentlemen from the following precincts to make a tour of the county and find out just what all of the farmers think of the plan:

Fernest—Charles Wallingford.  
Sardis—Ben Wood.  
Piumville—G. W. Hook.  
Lewisburg—Judge W. H. Rice.

This contemplated move by the farmers, although it might prove a serious blow to the local tobacco markets, would in the long run probably prove a benefit to the farmers, should they raise food stuffs next year, owing to the fact that the big European war will create a demand such as has never been known before.
